How does a construction contractor from a tough Brooklyn neighborhood become an impassioned animal activist? In the award-winning documentary THE WITNESS, Eddie Lama tells the story of his remarkable change of consciousness—how the love of a kitten opened his heart, inspiring him to rescue abandoned animals, become a vegetarian, and ultimately, to bring his message of compassion to the streets.

***“Think globally, act locally.  
I love that. It’s simple.  
Because really, you can  
start with yourself. The  
power of example is the  
biggest message you  
could convey to anybody.”***
