"THE WITNESS is one man's truth that cries out for mass exposure...maybe the most important and persuasive film about **animals** ever made."
—Howard Rosenberg, LA TIMES

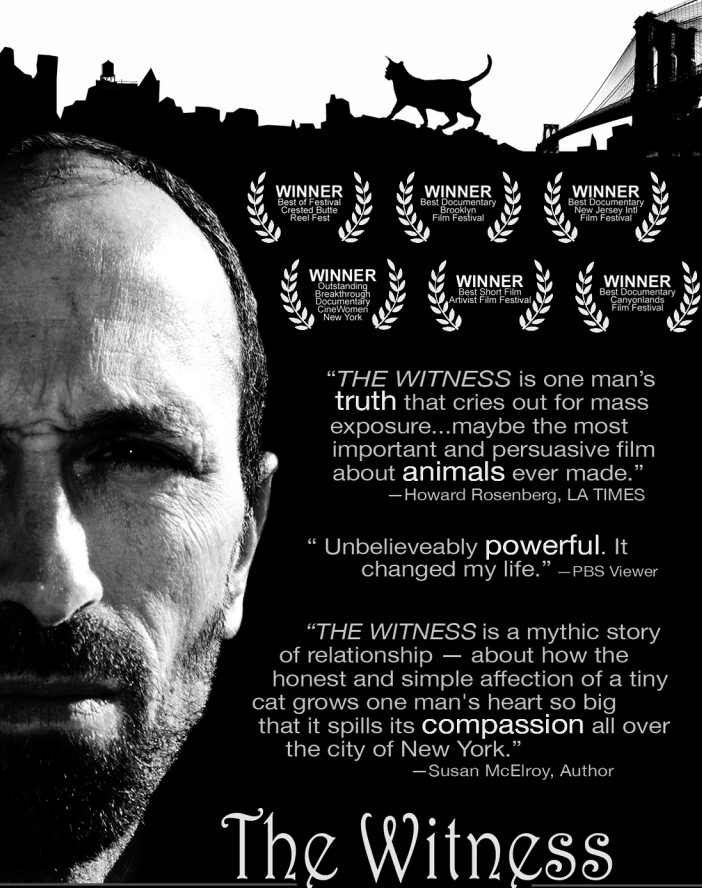

"Unbelievably powerful. It changed my life." —PBS Viewer

"THE WITNESS is a mythic story of relationship — about how the honest and simple affection of a tiny cat grows one man's heart so big that it spills its **compassion** all over the city of New York."
—Susan McElroy, Author
